Dear Mr Reznik and the Altua Group Team,

Re: Letter of Appreciation

On behalf of TIMA Anglican Parish, I would like to express our sincere gratitude to Altua Group Pty Ltd for generously donating your professional services to repair the rooftop skylight at St Stephen's Anglican Church and the damaged, rotten rooftop timber and fascias at St Timothy's Anglican Church, at no cost to the Parish.

We particularly appreciate your team's initiative in identifying and repairing additional rotten timber beyond the initially visible damage. Your professionalism, generosity and commitment have helped us maintain our church properties while easing the financial burden on the Parish.

Special thanks to Mr Artem Reznik for his kindness and support in making these works possible.

Thank you once again for your invaluable contribution. Your generosity is deeply appreciated by our Parish. We wish you and your team every success and blessing.

Yours sincerely,

Wilson Yu
Parish Warden
